The National Lottery Fund
Role Profile

Head of Policy Engagement

Directorate: NI/Scotland/Wales

Department: Directorate SMT

Role/Competency level: Level 4

Reports to: Director Northern Ireland/Scotland/Wales

Role Profile: Head of Policy Engagement

Role purpose

You will lead the Directorate's engagement with Government, VCSE sectoral stakeholders and other funders, building and maintaining a strong network of senior relationships and strong working relationships across the funding and community development sector. You will take the lead for your directorate on our ambition to be 'More Than A Funder', working with the sector to enable collaboration and sharing of best practice and learning to increase understanding of communities.

Using your strong stakeholder relationships and networks you will have a clear understanding of policy context and direction for each of our four community led missions and our equity- based approach to poverty, discrimination and disadvantage.

Working with the Evidence and Impact team you will develop insight and learning from our funding under the four community led missions with those networks, identifying opportunities to amplify the impact made by our grantholders, and influence future policy making.

You will maintain a broad understanding of the political and social context in which our grantholders operate in your country, convening grantholder and stakeholder networks to inform analysis and identify where they may need additional support and engagement and lead on developing our response.

You will provide insight and policy context to inform medium and long-term portfolio development and new funding initiatives, working with Funding leads including UK Portfolio and contributing towards the achievement of our corporate KPIs

Providing leadership and strategic direction as part of your directorate Senior Management Team, you will also engage in Fund-wide networks and policy development to support One Fund approaches.
